With further reference to our letters of the 7th and 14th inst., we are instructed to ask that Mr. Brown may be allowed to cancel his location to the above land and to place scrip on some other land instead. We are informed that Mr. Brown went to Athabasca Landing and got a land guide to show him the different locations which were open for homesteading and the guide showed him a quarter section as being the N.E. quarter of 13-66-22 W. 4th which was high and dry, but he now finds that this was a different quarter section and that the N.E. of 13-66-22 W. 4th is nothing but a ~~swamp~~ and muskeg and absolutely valueless. Under the circumstances, as Mr. Brown was not in any way to blame for the mistake we trust that the permission asked may be granted.

Gentlemen,

I am directed to acknowledge the receipt of your letter of the 23rd ultimo,and to say that it was at the special request of Mr.George T.Brown, who stated that he had inspected the land personally and that it was quite dry and fit for agricultural purposes, that he was allowed to obtain homestead entry for the N.½ of section 13,township 66,range 22,west 4th meridian,and having subsequently been permitted to abandon his entry in order that he might have Half-breed scrip located thereon, which has since been done, and the land assigned to him by the locator, it is not possible to comply with your request and cancel such location and allow Mr. Brown to select other land in lieu thereof. The patent for the said land will,therefore,be issued in due course in Mr.Brown's name.

This course will,no doubt,be satisfactory to you as your Mr.Scott has,since the date of your letter above mentioned,verbally advised the Department that it was your intention to withdraw your letter and to request instead that the patent be issued for the said land in Mr.Brown's name without delay.

Sirs: Re S. E. S. 17-19-22-2 W 5th.

With reference to your letter of the 17th inst. I beg to enclose herewith certified copy of patent issued covering the N.W. ¼ of Legal Subdivision 14, and also enclose certified copy of Certificate of Title 98 L 34, which follows the patent.

You will note that there has been a cancellation on this title of two acres for a School Site, contained in Certificate of Title 30 L 39.

I have no knowledge as to whether the School Site and the Church Site are on the N.W. of Legal Subdivision 13, or Legal Subdivision 14. Should both be in the N.W. of Legal Subdivision 13, the simplest manner of correcting the mistake, I think, will be to issue two patents, one to the Methodist Church, and one to the School District, the two new patents would then cancel the existing Certificates of title 98 L 34 and 30 L 39.

Yours truly,

H. J. Dawson

MEMORANDUM.

N.O. Cote, Esq., I.S.O.,
Controller.

N.½ 19-7½-9, W. 5th Meridian.

It is desired to proceed with the issue of the patent for the above mentioned quarter section, less a church site.

On the 14th of April, 1914, a patent was issued to the Methodist Church for a parcel of this quarter section described as the N.W.¼ of legal subdivision 14 of section 19 of the said township. This description was erroneous and should have read the N.W.¼ of legal subdivision 13. The patent in question was issued to the Corporation, its successors and assigns, to have and hold the land so long as the same are used upon the trust and subject to the conditions that the same shall be used for church purposes and for no other purpose or purposes whatsoever.

The Registrar was requested to return the patent which issued in favour of the Methodist Church in order that it might be cancelled and a correct one issued. In reply, he states that there has been a cancellation on this title of 2 acres for a school site contained in Certificate of Title 50 L 49. This Certificate of Title conveyed a parcel of land in the S.W. corner of the N.W.¼ of legal subdivision 14. 18 x 18 rods in measurement. The Registrar suggests that the simplest manner of correcting the mistake would be to issue two patents, one to the Methodist Church and one to the School District. The two new patents would then cancel the existing Certificates of Title in favour of the Church and in favour of the School District.

I would point out that the Church authorities had no power to make a grant of any portion of the land patented to the Church under the provisos in the patent and further, that the Registrar should not have issued a Certificate of Title in favour of the School District on account of such provisos in the patent. I would further suggest that in order to meet the homesteader's wishes that a patent might be issued to him for all the portion of the quarter section except the N.W.¼ of legal subdivision 13 and the N.W.¼ of legal subdivision 14 at the present time and that at a later date after the adjustment of the patent in favour of the Church authorities has been

made that a supplementary free grant be made to the homesteader for the available N.W.¼ of either of these two legal subdivisions. A sketch is attached illustrating the case.

I am under the impression that if the matters are fully explained to the Registrar that he might be able to recall the Certificates of Title which he issued and then return the patent to this Department for correction and a new patent might then be issued in favour of the Church authorities for the proper quarter legal subdivision, namely, the N.W.¼ of legal subdivision 13; but before the new patent is issued the question of disposing of the two-acre school site should be taken up with the School authorities as the Church would be unable to transfer the site.

H. O. Cole, Esq., I.S.O.,

I would point out that the Church had not the power to [illegible] any of the land granted to it as the grant was made for church purposes only.

On account of the transactions which have taken place I would recommend that the matter be referred to the Department of Justice to obtain transfers to the Crown of the lands which have been alienated and also to procure Certificates of Title in favour of the Crown in the right of Canada of such lands and that then a patent might be issued to the Church for legal subdivision 13 less a two-acre parcel in the south west corner thereof, measuring 16 x 16 rods for the school site, and that such two acres be then sold to the School District in the usual manner.

Sir,-

Re NW 1/4 Sec. 19-72-9-W. th M.

On the 14th April, 1914, a patent was issued in the name of the Methodist Church for the north west quarter of legal subdivision 14 of section 19, township 72, range 9, west of the 5th meridian. It was subsequently ascertained that this description was erroneous and should have read for the north west quarter of legal subdivision 13.

It is desired to rectify this error and also to issue a supplementary patent to Mr. Riggs, the homesteader of this quarter section, for the land not required by the Church.

It also appears that after the issue of the patent to the Methodist Church that that body disposed of a two-acre parcel in the south west corner of the north west quarter of legal subdivision 14 to the Swan River School District.

As there is some doubt as to where the church and school are situate, kindly detail a homestead inspector to visit the locality as soon as convenient and report as to the actual location of these parcels, illustrating the same by a sketch. The report should clearly show whether these parcels are in legal subdivision 13 or legal subdivision 14.

In reply to [illegible] application,
[illegible] instrument of issue, relied on behalf of the [illegible]
[illegible] grant of the north west quarter of [illegible]
of section 17, [illegible]

Authority for the grant was obtained by the issue of the patent was accepted with but unfortunately in making the description in the grant, the south west quarter of [illegible] subdivision 14 was quoted instead of the north west quarter of [illegible] subdivision 14, and therefore the patent which was issued was erroneous as to description.

The grant which was made was for church purposes only.

When the Department was requested with the issue of the patent to the homesteader for the balance of the quarter section the error was discovered, but in the meantime the church authorities had leased it a parcel out of the north west quarter of [illegible] subdivision 14 aforesaid [illegible] one hundred and twenty acres, to the [illegible] school district and the latter corporation obtained a certificate of title from the registrar for same as above.

As the grant made to the school district was for church purposes only that they had no power to dispose of any of the land granted to it.

After an investigation which has been made it has been found that the church and cemetery are situated on the south east quarter of [illegible] subdivision 14 and the Department wishes to correct the title of the grant to be correct.

It appears that the school district [illegible] out a two-acre parcel on the north west corner of the north west quarter of [illegible] subdivision 14, the parcel in question was never used for a school site, the school having been built on the north east quarter of section [illegible] of this township.

In order to rectify the title for the church grant it will be necessary for the church to first obtain from the School District a transfer in the name of the church of the parcel in the south west corner of the north west quarter of legal subdivision 14 which the church disposed of to the School District and to obtain from the Registrar a certificate of title in the name of the Church of such parcel.

When this certificate of title has been obtained it should then be forwarded here and when it is received here the matter of correcting the title to the church will receive consideration.

Early attention to the matter is requested.

A sketch is attached which illustrates the matter.

Sir,

N.W.T. 19-7-1-W.5th M.

Referring to your letter of the 14th April last I beg to advise you that the Department is prepared to proceed with the issue of patent to you for the above mentioned land with the exception of the North East quarter of Legal Subdivision 13 and the North West quarter of Legal Subdivision 14, as there is some complication in connection with these two latter parcels on account of the erroneous location of the church grant. The Department will take the necessary steps to correct the error, and upon receipt of the necessary information required in connection therewith a supplementary patent will then be issued to you for the parcels not required in connection with the church site.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

THE DEPUTY MINISTER:-

[illegible]

The Canadian National Railways made application in April last to purchase the above described quarter-section for gravel pit purposes, but the land at that time was held under homestead entry by Ostafi Manea. Mr. Manea's entry was cancelled on September 7th last and the quarter-section is now clear in the several branches of the Department.

As this land is within the soldier settlement area, it was decided to have a Homestead Inspector report as to the suitability of this quarter-section for agricultural purposes. The Inspector in his report, dated the 15th ultimo, states:

"I would consider this land altogether unfit for cultivation being stony and too much gravel and stony too besides being of broken surface".

The Company's line of railway crosses this land but the Company has not purchased any adjoining land from the Department for gravel pit or townsite purposes. In view of the fact that this quarter-section appears to be worthless for agricultural purposes, I would recommend that the Railway's application be granted and the land sold to it at the regulation price of $5 per acre.

Respectfully submitted,

Superintendent.

Sir,-

S.E. ¼ Sec. 23 Tp. 65 Rge. 22 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Clyde E. Derick, Esq.,

OTTAWA - 25th September,1924.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a.

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: Charles A. Farmer, No118014.
N.W.¼ 4-27-16-W.4th M. - Hsd.

The above named settler secured advances from the Board totalling $7273., the Board taking a charge upon his unpatented homestead above described. Owing to such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Farmer requesting that patent to his homestead should be issued in favour of the Board. Mr. Farmer states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the Board, dated the 16th instant, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1321), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.W.¼ of 4-27-16-W.4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

Dear Sir:

I am interested in a
certain section of land in the
Northwest under the "Volunteer
Bounty Act," and have been informed that this will not interfere with me homesteading another section and perfecting a title to same, etc. Will you kindly inform me if this is correct?

I would like very much to locate in Southern Alberta and would be glad if you can send me charts of same and information in that part of the Country.

Sir,

Replying to your letter of the 31st ultimo, I am directed to say that the grant in connection with the Volunteer Bounty Act of 1908 is irrespective altogether of the ordinary right of homesteading, and is not affected by the fact of the volunteer having already had or still retaining entry for such ordinary homestead. It would be, however, for you to satisfy yourself that you shall strictly comply with the terms of the said Act in so far as the Dominion Lands Act.

In connection with the latter Act I enclose you herewith a copy of the amended Regulations, a pamphlet of information respecting lands open to the Bounty Act, and a form of application to serve in the event, this document should be filled out and forwarded direct to the Department of Militia and Defence at Ottawa.

A copy of the Volunteer Bounty Act is also enclosed for your further information.

As regards lands available for homestead in Southern Alberta I am to refer you to the Agents of Dominion Lands at Calgary or Lethbridge.

I beg to return the letter of Dr. L.W. Price of Moncton, respecting the applications of himself and F. W. Carron, Major C. A. Peters, W. W. Blanchard, C. W. Rolston & V. C. McTavish, who were Civil Surgeons, for Land Warrants.

In this connection, I beg to enclose a copy of my memorandum of the 2nd April last, to the Minister, with reference to the claim of Dr. Carron, of Brockville, from which you will see that these are applications for the consideration of the Department of Militia & Defence, as this Department cannot take any action with regard to grants under the Volunteer Bounty Act, until Warrants have been issued by the Minister of Militia & Defence.

Dr. McTavish was informed on the 10th March, 1905, that his application had been referred by the Department of Militia & Defence, to the Department of Justice, and that Department had reported that owing to the fact that he was a Civil Surgeon only, during the War, he was not entitled to a grant, under the provisions of the Volunteer Bounty Act, 1908.

No doubt Dr. Price and the other applicants were advised by the Department of Militia & Defence, as to the decisions arrived at in their respective cases.

I beg to return your Ref.No.3300, and to report that the claims referred to are those of civilian employees who went Overseas [illegible] and as such were not eligible for the benefits of Militia and Defence Acts under the decision of the Deputy Minister of Justice.

Mr.McTavish of Vancouver, B.C., was advised on the 20th of March, 1920, that his application had been referred by the Department of Militia and Defence to the Department of Justice, and that Department had reported that owing to the fact that he was a civilian surgeon only during the war he was not entitled to a grant under the provisions of the Volunteer Bounty Act, 1908.

No doubt, Mr.Foley and the other applicants were advised by the Department of Militia and Defence as to the decisions arrived at in their respective cases.

In any event, these applications should be considered by the Department of Militia and Defence, if the time is extended as proposed, as until warrants of the Minister of Militia and Defence are issued in favour of the Volunteers, no action can be taken by this Department.

The Soldier Settlement Board.

Canada. OTTAWA, 26th July, 1921.

Memorandum-

Memorandum for Title under Order in Council of the 4th June, 1921, P.C. 1241, where duties completed by soldier settler.

Re. Adolphus Lamourenx,
S.W.¼ 13-10-3-W.4th M.(Hsd.)

The above-described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in his favour on the 19th August, 1919, the settler obtained advances from the Board totalling $[illegible].00, as follows: stock and equipment, $[illegible].00; permanent improvements, $-13.00. As security the Board holds a charge on the settler's homestead. The Board holds no other land security in this case.

The Board is satisfied that the settler has completed the duties in connection with his homestead and would be entitled to receive patent for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands, Department of the Interior, dated the 21st June, 1921, addressed to the settler.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1241, enable the Minister on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, in the remaining [illegible] the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to [illegible] a sale of the land with the view to repaying the [illegible] as outlined in the Board.

In question the settler was requested [illegible] to the land to show that he [illegible] price. However, the settler [illegible] for the advances [illegible] he obtains a sale [illegible] to the Board merely requests [illegible] of the Majesty in the S.N.½ [illegible] in the Soldier Settlement Act.

Under the provisions of the regulations referred to the Board is [illegible] title and interest [illegible] S.N.½ [illegible]-W.4th Meridian [illegible]

The request for title is not affected by the recent amendment to Section [illegible] of the Soldier Settlement Act, as the advances referred to in the agreement [illegible] were approved and made to the settler [illegible] prior to the amendment coming into force. A Vesting Order [illegible] is attached hereto.

Chairman.

Minister of the Interior,
Ottawa.

Sir:

Re: S.E.¼ 33-61-6-W 4th Meridian.

The land above described was acquired by James D. McCulloch under the Homestead Regulations on September 22nd 1930.

Mr. McCulloch has been in residence on this quarter section since obtaining entry.

On making a check of the records it is found that the greater portion of this quarter section was patented to the Hudsons Bay Company in the year 1882 prior to the survey of the Township.

It will be appreciated if you will kindly check your records and if I am correct as to the patent to the Hudsons Bay Company, I would suggest that this Company be asked to surrender the land to the Crown and that it be given the right to select other land of equal value in lieu thereof.

It will be appreciated if you will kindly let me hear from you in connection with this matter.

Advice has been received from the Department of Lands and Mines, Edmonton, to the effect that one James G. McCulloch has been granted homestead entry for the quarter section above described and that the records now in the possession of the Provincial Authorities disclose that a portion of the said quarter section was patented to the Hudson's Bay Company prior to the survey of the said Township.

It would appear that Hudson's Bay Company Grant No. 32, covering 50 acres comprised in the Reserve at Fort Assiniboine, was patented to the said Company on the 11th February, 1882, and I would, therefore, appreciate your furnishing me with a copy of the plan of said Township 61-6-W. 5th M., and plotting thereon that portion of the said SE¼ 36 which was disposed of under the Grant above referred to.

J. Lorne Turner,
Director.

Mr. Turner.

After letters and memorandum have been sent kindly return file.

Sir,-

S.E.¼ Sec. 21, Tp. 67, Rge. 22, West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1930, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Re S. W., 12-13-1 -W. 4th Mer.-

Please see Mr. Cuttle's letter of the 19th May on file hereunder marked, enclosing Statutory Declaration from Myron L. Findlay to the effect that the lien for $103.50 given by H.P. Nelson should not encumber the S.W.¼ 12-13-1-W. 4th Mer. standing in Findlay's name.

Mr. Cuttle explains that Finlay appointed Nelson his attorney to receive only 40 bushels of wheat and 60 bushels of oats to be charged against this quarter and that Mr. Nelson gave also a lien for $103.50 without authority to do so. This indebtedness is also registered against the S.½ 1-13-1-W. 4th Mer. and as the balance outstanding on account of Nelson's lien is only $[illegible].00. Mr. Cuttle recommends the removal of the lien for $103.50 so far as it affects the S.W.¼ of Section 12.

This would appear to be a reasonable proposal and I think Mr. Cuttle's recommendation should be carried out.

Will you please say?

Approved.

Mr. W. S. Gliddon,

Re - S. E. 1-15-16 W 4

In reply to your memorandum of the 17th January last, which was inadvertently overlooked, relative to a communication from C. J. Coughnour having reference to a declaration executed by J. A. Hancock respecting alleged wrongful registration of a lien for $68.45 made by Hans P. Nelson: -

I beg to advise you that the lien in question was given for relief obtained by Hans P. Nelson on the security of the S. E 1-15-16 W 4.

The Department, therefore, has no recourse to collection from Mr. J. A. Hancock, who states that this lien was given without his consent, and from the evidence on file Mr. Nelson had no registered interest, being a rentor.

In consequence of the lien for $68.45 being attached to patent for the S. E. 1-15-16 W 4 the Department is protected for the amount of this lien, and it would appear to be in order to remove the same as affecting the land above described.

In this connection I might state that at the time the [illegible] liens were made by [illegible] Nelson, he held no registered interest in these lands, but gave them as security in his capacity as renter of the same. The first mentioned land, the [illegible] was at the time owned by [illegible] Hadley, subject only to the lien of [illegible] Nelson.

You will note from your files in this regard that you recommended the removal of this lien on [illegible] 1917, which was only refused by the Department.

In the matter of [illegible] 1, which was and is still the registered land of James [illegible] Hancock, the lien for $68.44 was given to [illegible] Nelson against the same, which has recently been removed from S. [illegible] 1, as a result of a statutory declaration made by [illegible] Hancock.

I may say that while the lien [illegible] was registered against the [illegible]-11-16 [illegible] re-entries from [illegible] Hadley, the Department is in the position of being liable to [illegible] called upon to [illegible] lien in question. Dear Sir,-

Re- S.W. 12
S.E. 1-15-18-W. 4th Mer.

With reference to your letter of the 9th October, 1922, Files 2502328 - 1094131 regarding seed grain indebtedness against the above, I beg to say that today I am in receipt of a letter from Hans P.Nielson, explaining the situation. I herewith quote you the letter in full,-

"I wrote you some time ago stating that I "did not owe any seed lien and also that Mr. Hancock "paid for seed received. I do not remember whether "he had a lien or not but think he had; at any rate "Hancock furnished the seed; also he shipped our "car load of wheat together and held amount to cover "seed off my share. I think he even sent me receipt "for same but I have been unable to find them so far; "However, the amounts were paid through the Canadian "Bank of Commerce at Retlaw, Alta. We should be able "to find records of same there. I wrote to Hancock "but the letter was returned and I would appreciate "your sending me his address.

"Now I have not had a crop since 1916- "the grasshoppers took everything this year so I am "unable to go to Retlaw to look up the record. I know "there is a mistake somewhere and think it must have "been made through the Department. I was only a renter "on Mr.Hancock's place and could neither set seed from "the Department myself nor place a lien on rented land "and therefore Hancock got the seed for me. I do not "remember now but I may have received the seed and hauled "it out also have signed as recipient but that is all "I had to do with same. Will do what I can to help clear "this matter up."

You will notice Mr. Nielson states that there was a car of wheat shipped and Mr. Hancock held amounts over to cover the seed grain; he also states that the amounts were paid through the Canadian Bank of Commerce, Retlaw, Alta.

Will you kindly have this matter looked into further and see if any trace can be found of the payment.

Yours respectfully,

Superintendent.

The Secretary,
Dept.of the Interior,
Ottawa, Ontario.

4843804

Mr. Nielson also enclosed a second letter received from Mr. Hancock, bearing the same date, and apparently giving the same information, which is also quoted,-

" your letter at hand in regard to seed lien of
"the Government and will say that you never said in your
"letter how much it was neither did the Government when
"they wrote me but the lien that was on the place when I
"sold out to Clarance Heist was $68.45. I never had a
"seed lien of this size from the Government. My lien in
"1915 was $150.00. You remember you came in to Retlaw
"from the farm and took me out to Mr. Thomas' place and
"I got the seed for the place as you will remember and it
"came to $150.00 and I signed for it myself and paid for
"same by cheque at the Bank of Commerce, Retlaw in either
"1916 or 1917 and I don't owe them one cent. If I did they
"would have been after me long before this. All the bills
"you gave me to pay at the Bank was paid in full as you will
"find out if you trace the records there at Retlaw at the
"Bank of Commerce. You will see that I have paid all bills
"up to our final settlement and I think where the mistake
"is if you will remember you and your father went over to
"Brooks and got feed from the Government; maybe this is
"where they have made the mistake with you. I am only
"mentioning this to refresh your memory and I am quite sure
"you remember going over to Brooks after this relief with
"your father. I hope these few lines will be of some help
"to you in straightening this out between you and the
"Government."

I wish you would kindly look up your records in this connection and advise if Mr. Hancock paid for all the seed grain secured.

I am again writing Mr. Neilson today asking him for payment of the relief indebtedness which was $68.45.

Yours respectfully,

Superintendent.

In further reference to yours of the 2nd July, Files [illegible] - [illegible] - [illegible] - [illegible] and [illegible] returning seed grain indemnities against the above, I beg to say that I have now received another communication from Mr. Nielsen, enclosing a letter he received from Mr. Hancock which reads as follows,-

"Your letter at hand regarding the "seed grain lien and will say that the lien that "was placed on by you was for $[illegible]. I didn't know "this was on the land until I put a loan on the pre- "mises then so I then made an affidavit that it was not "put on by me so the loan went through and I thought "it was all through so when I sold the place it showed "up again so I made a second affidavit before Christ "Longmuir (?) of Lucknow. This time it was struck "off the records as far as I know at least. The "papers from Calgary claim that I was clear from it "and the deal went through and Clarence Weist has "the place now. All the seed that was furnished in "1921 was furnished by me and I signed for it myself. "You remember you came in to Ketlaw and took me out "to Mr. Thomas and I got the seed for you and it came "to $[illegible].00 and I signed for it myself and I paid "this by cheque at Ketlaw I think in 1921 or 1922. "This is all the seed I ever furnished for [illegible] "the Government and I don't owe them one penny. If "you will remember in 1921 you and your dad all gave "me [illegible] and provisions at Brooks; maybe they have made "a mistake with this and have called it seed. I think "you will remember this same year to Brooks for this "relief won't you? I am only mentioning this to "refresh our memory and probably help you to straigh- "ten this out. All that is between us now is the "Painter car of wheat. I paid you up in full for it "before I left for Chicago and I do hope these few "lines will be of some benefit towards solving this "[illegible] and surely hope you can get it fixed up. Of "course if you have signed for it and they have your "signature all you can do is pay it. They surely can "tell whether it is your signature or not that has "signed for this lien. I hope these few words will be "of some benefit to you and to the Government as well".

Please see letter hereunder from Messrs. Arnold & Arnold of the 21st ultimo with Statutory Declaration executed by Hans Nelson respecting a lien for $68.45 alleged to be illegally clouding title to this land.

In this connection I might state that the lien in question is evidently a duplicate registration of a promissory note covering a Relief Advance of 1915 made to Hans Peter Nelson on the security of the S.½ of 1 & S.W. 18-15-18-W. 4th M.

On comparison of the signatures, it will be noted that the declarant and the party who received the advance are different persons.

Re: Account of Hans P. Nelson.
S.W. 12-15-18-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $298.25 were advanced to Hans P. Nelson on the security of the above mentioned land. A payment of $130.00 was received in 1916 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 174.70	$ 321.42	$ 496.12

At the time of obtaining the advances of seed grain, fodder and relief in 1915 the debtor held no registered interest in the land but gave them as security in his capacity as renter of the same, without the permission of the owner.

The whereabouts of the original debtor is unknown and it is considered that there is no possibility of collection.

As the liens are not registered against the land and there is no further security, it is recommended that the indebtedness be cancelled.

Sir,-

¼ S.E. Sec. 36 Tp. 36 Rge. 6 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Sir,

I am directed to acknowledge the receipt of your letter of the 14th ultimo, enclosing a number of applications for Half-breed scrip. In this connection, I am to ask on what authority those applications were taken by you, as it is only on specific instructions from the Minister or by order of the Governor in Council, that Agents of Dominion Lands are permitted to take applications for scrip.

I am also to add that, as you may be aware, all applications for scrip, should have been made before the Commissioners who were appointed for the purpose of taking evidence in support of claims to such scrip, and there is now no authority under which any additional claims can be dealt with.

Sir:-

I beg to acknowledge receipt of your letter of the 16th, ulto., file 2583328, in which you point out that applications for Half-breed scrip should only be taken on specific instructions from the Minister, and also stating that all applications should have been made before the Commissioners who were appointed for the purpose of taking evidence in support of claims to such scrip.

The applications which you refer to were made by Half-breeds who had no chance to make application before the Commissioners as no Commission sat in their vicinity. As they had travelled all the way from 100 to 250 miles to make their applications I thought the least I could do was to forward their application for the consideration of the Department.

W.½ of Sec. 41 Tp. 59 Rge. 18 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting these settlers, who had obtained patent for their homestead or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

DOMINION LANDS ADMINISTRATION

OTTAWA,

Sir,-

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

N.E. ¼ Sec. 36 Tp. 54 Rge. 2 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Ref.-#181618.

OTTAWA, 22nd September, 1928.

Sir,-

S.E¼ Sec. 3. Tp. 59 Rge. 7. West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

OTTAWA, 11th September, 1928.

Sir,-

N.W. ¼ of Sec. 13, Tp. 71, Rge. 7, West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who ~~obtained~~ earned patent for the quarter section above described, and provided this is the only land for which you have ~~obtained~~ entitled homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Lloyd J. South, Esq.,

Alberta.

I may add with regard to the S.W. 33-70-7, W.6th M., that you be permitted to relinquish your lease thereof in order to obtain right of entry as a second homestead, but you are at liberty to withdraw the land unconditionally and take your chance of securing it in competition with other applicants, if any, when the land

Office of the Chairman

MEMORANDUM:

Request for Title under Order in Council of the 4th of June, 1921, where duties completed by soldier settler.

re: F. J. South,
S.W.¼ 11-71-7-W.4th M. (Edm)

The above described land is the quarter section homestead of this settler.

Subsequent to the original loan approved in his favour on the 7th of June, 1919, the settler received advances from the Board totalling $2750, as follows: land, $1500; stock and equipment, $1250; permanent improvements, $nil; special advances, $nil. As security the Board holds a charge on the settler's homestead. The only additional security held by the Board in this case is title to the S.W.¼ 26-70-7-W.4th, the settler's former soldier grant.

The Board is informed that the settler has completed the duties in connection with his homestead, and will be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands to the Board, dated the 15th of September, 1924.

The regulations approved by the Governor in Council on the 4th of June, 1921, P.C. 1141, enable the Minister on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion Land held by him in the Board, but remaining in the Crown until the settler's indebtedness has been repaid. Upon receipt of title also enables the settler to negotiate a sale of the land with the view to repaying the loan secured from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued to the Board in order that it may be held by the Board as security for the advances granted, so in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 11-71-7-W.4th be vested in the Soldier Settlement Board.

The Board has no security charge on the land under the recent amendment to section 21 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler previous to the date of his entry for homestead.

A Vesting Order for signature is annexed hereto.

OTTAWA, 24th December, 1928.

Dominion Lands & Colonization
JAN 17 1929

Sir,-

S. ½ Sec. 27 Tp. 60 Rge. 8 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

George Filipchuk, Esq.,
